

**EAPC 17<sup>th</sup> World Congress Online**

“EXPLORING NEW DIMENSIONS”

**Interactive Online Sessions**

6 - 8 October 2021

## **EAPC 17th World Congress Online Programme**

All times are shown in Central European Time (CET)

### **Tuesday 5<sup>th</sup> October**

**Development of palliative care in CIS countries, 11:30 - 13:00**

**WHO: Expanding access to quality palliative care worldwide, 13.30 - 16:00**

**EUPCA: Sustaining Palliative Care Services in the Covid-19 Pandemic, 15:00 - 18:00**

**The Digital Legacy Conference, 17:00 -23:00**

View programmes and register to attend at [Pre-Congress Sessions - EAPC21 \(eapc-2021.org\)](https://www.eapc-2021.org)

### **Wednesday 6<sup>th</sup> October**

09:00 – 9:50

**Opening Ceremony (PL 1)**

**Chairs:**

Christoph Ostgathe, Germany

Fliss Murtagh, UK

**Words of Welcome, Christoph Ostgathe, Germany and Fliss Murtagh, UK**

**Welcome address from Dr Tedros, Adhom Ghebreyesus Director General of the World Health organisation**

**Is Palliative Care having an existential crisis? Seamus O’Mahony, Ireland**

**EAPC Award: Inequalities and Injustice in Palliative Care Irene Higginson, UK**

**Welcome from the EAPC Board**

10:00 – 10:50

**FC 01(B) Measuring and managing symptoms**

**Chairs:**

Ana Lacerda, Portugal

Simone Veronese, Italy

**B-05 Cost-effectiveness of sustained-release morphine for refractory breathlessness in COPD: a randomized clinical trial Cornelia Van den Berg - Verberkt, The Netherlands**

**B-06 Healthcare Resource Utilisation by Patients with Advanced Cancer Living with Pain: An Analysis from the STOP Cancer Pain Trial** Nikki McCaffrey, Australia

**B-08 Longitudinal symptom profile of palliative care patients receiving a nurse-led end of life (PEACH) Program to support preference to die at home** Meera Agar, Australia

**L-08 Identifying the consequences of restrictive visitor policies on palliative care providers, their patients, and caregivers.** Kirsten Wentlandt, Canada

**L-13 Factors Influencing Acceptance or Refusal of Palliative Care among Patients with Moderate to Severe Symptoms: A Qualitative Study** Rachel Sue-A-Quan, Canada

10:00 – 10:50

**Chairs:**

**PS 1 (E) Massive Open Online Courses (MOOCs) to enhance education in palliative care**

Nancy Preston, UK

Frank Ferris, USA

**Using MOOCs to develop community discussion around death and dying** Jennifer Tieman, Australia

**Using MOOCs to achieve international dissemination of research** Nancy Preston, United Kingdom

**What's online learning like? Experiences of a user from Lebanon** Silva Dakessian, Lebanon

10:00 – 10:50

**Chairs:**

**PS 2 (A) Innovative models of home palliative care**

Barbara Gomes, Portugal

Irene Higginson, UK

**Updated Cochrane review results on the effectiveness and cost-effectiveness of home palliative care services for adults** Barbara Gomes, United Kingdom

**Community-based short-term integrated palliative care for older people with chronic noncancer conditions: a randomised controlled mixed method trial** Catherine Evans, United Kingdom

**Accelerated transition to palliative care at home in advanced cancer: A randomized clinical trial** Per Sjogren, Denmark

11:00 – 11:50

**Chairs:**

**PS 3 (B) Improving care for people unable to self-report: the role of person-centred proxy-reported assessment measures**

Deborah Parker, Australia

Clare Ellis-Smith, UK

**Using structured, person-centred measures for people with dementia unable to self-report to identify and meet palliative care needs** Susanne de Wolf-Linder, Switzerland and Nuriye Kupeli, United Kingdom

**Person-centred proxy measures: clinical and methodological challenges, and recommendations to maximise valid and reliable assessment.** Clare Ellis-Smith, United Kingdom

**Assessing palliative care needs in people with dementia using proxy measurement: validation of the Integrated Palliative care Outcome Scale for Dementia (IPOS-Dem) in German nursing homes** Michaela Schunk, Germany

11:00 – 11:50

**FC 02 (D) Advance Care Planning & CPR**

**Chairs:**

Lorna Fraser, UK

Danila Valenti, Italy

**D-01 Do physicians discuss Cardio-Pulmonary Resuscitation (CPR) prognosis with hospitalized older patients? An analysis of admission interviews** Clara Castillo, Switzerland

**D-13 Advanced Care Planning in Nursing Home Patients with and without Cognitive Impairment who Are at the End of Life** Rafael Montoya Juárez, Spain

**N-01 When to initiate advance care planning conversations in patients with advanced cancer? Results of the ACTION trial** Judith Rietjens, The Netherlands

**M-12 Advance care planning in primary care for people with gastrointestinal cancers: a feasibility trial** Kirsty Boyd, UK

11:00 – 11:50

**FC 03 (A) Innovation and new technologies**

**Chairs:**

Barbara Gomes, Portugal

Natasha Pedersen, Norway

**A-02 Measurement equivalence of the paper-based and electronic version of the Integrated Palliative care Outcome Scale: a randomised crossover trial** Christina Ramsenthaler, Germany

**A-06 Development and Evaluation of a Web-based Program for Advance Care Planning** Doris van der Smissen, The Netherlands

**A-04 Developing a Digital Game to Improve Public Perception of Dementia** Gillian Carter, United Kingdom

**A-07 'Educating RITTA': Evaluation of an Artificial Intelligence Programme in Opioid Prescribing - A Pilot Project and Needs Assessment** Mark Taubert, United Kingdom

**A-09 Implementation of eHealth Interventions to Support Assessment and Decision Making for Residents with Dementia in Care Homes: A Systematic Review** Juliet Gillam, UK

|   |  |
|---|--|
| 12:00 – 12:50   | <b>PS 4 (B) Management of fatigue in advanced cancer - psychological, physical and pharmacological</b> |
| <b>Chairs:</b>  | Paddy Stone, UK<br>Maria del Rocio Roji Buqueras, Spain  |
| <p><b>Psycho-educational interventions for fatigue in palliative care</b> Asanga Fernando, United Kingdom</p> <p><b>Exercise interventions for fatigue in palliative care</b> María del Rocío Rojí Buqueras, Spain</p> <p><b>Drug treatments for fatigue in palliative care</b> Paddy Stone, United Kingdom</p> |  |

|               |   |
|---------------|---|
| 13:00 – 14:50 | <b>Lunch and networking</b><br>Lunchtime session – EU Project meeting |
|---------------|---|

|  |  |
|--|--|
| 15:00 – 15:50  | <b>Plenary session (PL2)</b>                       |
| <b>Chairs:</b>   | Geert Huysmans, Belgium<br>Daniela Mosoiu, Romania |
| <p><b>Inclusivity in palliative care – are we as good as we think?</b> Richard Harding, UK,</p> <p><b>Prize: The IJPN Palliative Care Nurse of the Year</b></p> <p><b>Best Abstract: B-01 The SILENCE (Scopolamine butylbromide given prophylactically for death rattle) study: a double-blind randomized, placebo-controlled multicenter trial.</b><br/>Jet van Esch, The Netherlands</p> |  |

|   |  |
|---|--|
| 16:00 – 16:50   | <b>FC 04 (B) Symptoms and Sedation</b> |
| <b>Chairs:</b>  | Kaisa Halinen, Finland<br>TBC          |
| <p><b>B-07 Clinical Aspects of Palliative Sedation: A Systematic Review of Prospective Studies</b><br/>Alazne Belar, Spain</p> <p><b>B-10 Prophylactic Drugs for Irradiation-induced Neurocognitive Decline: A Systematic Review on Efficacy and Outcomes</b> Filipa Tavares, Portugal</p> <p><b>B-14 Understanding palliative care needs of people with frontotemporal lobar degeneration (FTD); systematic review</b> Ali-Rose Sisk, United Kingdom</p> <p><b>F-02 Continuous Deep Sedation until Death (CDS) in France: What Is at Stake for Patients, Proxies and Physicians in the Context of the 2016 Law?</b> Sandrine Bretonniere, France</p> |  |

**Q-02 Guidelines to Reduce, Handle and Report Missing Data in Palliative Care Trials Co-produced Using a Multi-stakeholder Nominal Group Technique** Jamilla Hussain, United Kingdom

16:00 – 16:50

**Chairs:**

**PS 5 (F) Economics of palliative care: new approaches to understand and demonstrate effects**

Charles Normand, Ireland

Irene Higginson, UK

**Can palliative care mitigate inequities at end of life?** Joachim Cohen, Belgium

**Trajectories of health care expenditures after the onset of functional disability: new insights from latent class analysis** Claire Ankuda, United States

**Projecting future needs, costs and outcomes in palliative care: an economic policy evaluation for the Department of Health (Ireland)** Peter May, Ireland

16:00 – 16:50

**Chairs:**

**PS 6 (A) "There is an app for that" – leveraging technology to advance palliative care to patients and families across care settings**

Hunter Groninger, USA

David Blum, Switzerland

**When digitalization goes viral, in the pandemic and in palliative care** David Blum, Switzerland

**What do people need from technology in the provision of palliative care? Findings from user engagement and technology implementation across low, middle and high-income settings** Matthew Allsop, United Kingdom

**"I went to the beach without leaving my bed" -- virtual reality for symptom management in advanced illness: current evidence and applications** Hunter Groninger, United States

17:00 – 17:50

**Comfort break and networking**

18:00- 18:50

**Chairs:**

**PS 7 (A) Peer support in palliative care: how to leverage its potential?**

Judith Rietjens, Netherlands

Hans van Delden, Netherlands

**An introduction to peer support: what do we know, what questions remain, and what is the future of peer support?** Kate Lorig, United States

**Face-to-face peer support groups in palliative care: findings from the first large-scale SMART study.** Erica Witkamp, The Netherlands

**Viral- International online peer support & learning in palliative care** Mark Taubert, United Kingdom

18:00- 18:50

**FC 05 (R) COVID 1**

**Chairs:**

Sonja McIlpatrick, Northern Ireland

Josep Porta-Sales, Spain

**R-02 Initiating Advance Care Planning Discussions during Covid-19: A Mixed Methods Study of Healthcare Professionals' Experiences** Mary Turner, UK

**R-03 Barriers and Facilitators to Specialized Palliative Care Integration for Patients with COVID-19** Kirsten Wentlandt, Canada

**R-06 Care for dying patients under the Covid-19 pandemic in Norway: a survey of bereaved relatives** Dagny Haugen, Norway

**R-08 Experiences, challenges and potential solutions of generalist palliative care in inpatient setting during the SARS-CoV2 pandemic** Manuela Schallenburger, Germany

**R-09 Changes in patterns of mortality and place of death during the COVID-19 pandemic: a retrospective analysis of data from the four nations of the UK** Sean O'Donnell, UK

**Thursday 7<sup>th</sup> October**

8:00 – 8:50

**Breakfast networking with EAPC Groups**

09:00 – 9:50

**Plenary session (PL3)**

**Chairs:**

Martin Loucka, Czech Republic

Sandra Martins Pereira, Portugal

**Meeting the challenge of dementia care in the future** Deborah Parker, Australia

**Leadership Education in Palliative Care Award**

**Best Abstract: L-01 Palliative day care in Belgium: health economic analysis using population-level administrative data,** Kristof Faes, Belgium

|   |   |
|---|---|
| <p>10:00 – 10:50</p> <p><b>Chairs:</b></p>  | <p><b>FC 06 (J) Compassionate Communities and Civic responsibilities</b></p> <p>Simone Veronese, Italy</p> <p>Josep Porta-Sales, Spain</p>  |
| <p><b>E-02 Implementing a Compassionate Communities Framework to Raise Public Awareness of Palliative Care in Alberta, Canada</b> Konrad Fassbender, Canada</p> <p><b>J-04 Civic Engagement Concerning Serious Illness, Dying, Loss and Bereavement: A Systematic Integrative Review</b> Louise D'Eer, Belgium</p> <p><b>J-05 Compassionate Cities: A Systematic Integrative Review of Existing Initiatives Worldwide</b> Bert Quintiens, Belgium</p> <p><b>L-16 Key Areas of Clinical Practice that Enable Optimal Palliative Care in Acute Hospitals: A Mixed Methods Study</b> Claudia Virdun, Australia</p> |   |
| <p>10:00 – 10:50</p> <p><b>Chairs:</b></p>  | <p><b>PS 8 (M) Expanding palliative care beyond health care services: lessons learned from international research</b></p> <p>Luc Deliens, Belgium</p> <p>Libby Sallnow, UK</p>                    |
| <p><b>How do specialized palliative care services engage with the general public? A survey from Belgium, Sweden and the UK</b> Sally Paul, United Kingdom</p> <p><b>Creating Collaborative Community Culture at the End of Life: Insights from an Asset Based Community Development project in Australia</b> Andrea Grindrod, Australia</p> <p><b>Creating palliative care capacity across society: evaluating compassionate city programs</b> Joachim Cohen, Belgium</p>   |   |
| <p>10:00 – 10:50</p> <p><b>Chairs:</b></p>  | <p><b>PS 9 (G) Revealing the current state of palliative care for persons with persistent mental illness in three high income countries</b></p> <p>Erin Donald, Canada</p> <p>Jed Jerwood, UK</p> |
| <p><b>The views and experiences of people with mental illness, and their carers, on their palliative care needs</b> Jed Jerwood, United Kingdom</p> <p><b>Palliative care for people diagnosed with mental illness: The New Zealand perspective</b> Helen Butler, New Zealand</p> <p><b>Palliative care in the gaps: Experiences of palliative care for persons with persistent mental illness in the community</b> Erin E. Donald, Canada</p>  |   |

|                |  |
|----------------|--|
| 11:00 – 11:50  | <b>FC 07 (L) Models of Care</b>                |
| <b>Chairs:</b> | Piret Paal, Austria<br>Daniela Mosoiu, Romania |

**L-04 Enhanced Supportive Care Impact for Patients and Healthcare System** Ann Griffiths, United Kingdom

**L-06 Thank goodness, you are here: a pre-post mixed methods study to assess the impact of 7-day specialist palliative care on clinical outcomes and experiences of patients, carers and staff.** Sarah Brearley, United Kingdom

**L-07 Evaluation of an enhanced 7-day Specialist Palliative Care Service: Findings from a quantitative analysis** Ceu Mateus, United Kingdom

**L-12 Specialist palliative care teams and characteristics related to referral rate: a national cross-sectional survey among hospitals in the Netherlands** Manon Boddaert, The Netherlands

**M-08 The role of emergency medical services in the palliative care – scoping review** David Peran, Czech Republic

|                |  |
|----------------|--|
| 11:00 – 11:50  | <b>PS 10 (B) (Potential) Pitfalls in palliative care pharmacotherapy</b> |
| <b>Chairs:</b> | Constanze Rémi, Germany<br>Andrew Dickman, UK                            |

**Darwin's Legacy - Drug Interactions and Dietary/Herbal Supplements** Andrew Dickman, United Kingdom

**Is any jerk a seizure?** Constanze Rémi, Germany

**The Cannabis Conundrum** Jennifer Schneider, Australia

|                |   |
|----------------|---|
| 12:00 – 12:50  | <b>PS 11 (D) Developing an evidence base to support advance care planning in dementia</b> |
| <b>Chairs:</b> | Jenny van der Steen, The Netherlands<br>Ida Korfage, Denmark                              |

**Developing guidance in addressing the challenges of advance care planning in dementia: an EAPC Delphi study** Jenny T van der Steen, The Netherlands

**Implementing advance care planning with family caregivers of nursing home residents in Italy** Paola Di Giulio, Italy

**Engaging in advance care planning conversations: lessons learned from people with dementia and their family** Lieve van den Block, Belgium

|                |   |
|----------------|---|
| 12:00 – 12:50  | <b>FC 08 (H) Psychological symptoms and communication</b> |
| <b>Chairs:</b> | Sébastien Moine, France<br>Ana Lacerda, Portugal          |

**H-05 Let It Out (LIO): a mixed-methods study to optimise the design of an online, emotional disclosure intervention for adults with terminal illness receiving hospice care**  
Daisy McInerney, United Kingdom

**H-09 The Correlation between Suffering and Spiritual Distress in Elderly Cancer Patients: A Cross-sectional Study** Helga Martins, Portugal

**M-10 Perceived Quality of Care and Emotional Functioning of Patients with Advanced Cancer and their Relatives: Results of a Multicenter Observational Cohort Study (eQuiPe)**  
Janneke van Roij, The Netherlands

**Q-01 Using a behavioural theory to gain insight into critical determinants of health promoting behaviour around serious illness - A case example applied to starting a conversation about palliative care** Anne-Lore Scherrens, Belgium

|                |  |
|----------------|--|
| 12:00 – 12:50  | <b>FC 09 (D) Older &amp; frail people</b>          |
| <b>Chairs:</b> | Karl Bitschnau, Austria<br>Barbara Gomes, Portugal |

**D-02 Older People with Severe Frailty talking about their Palliative Care Needs: An Interview and Survey Study during the Covid-19 Pandemic** Richard Green, United Kingdom

**C-03 Predictors of pre-death and post death grief in family carers of people with dementia. A systematic review.** Sophie Crawley, United Kingdom

**D-03 Symptom Control and Palliative Care Outcomes in Patients at the End of Life in Nursing Homes** Rafael Montoya Juárez, Spain

**D-11 Perspectives of Older People Living with Mild Dementia about Eating and Drinking Problems at the Later Stages of Dementia: A Qualitative Study** Kanthee Anantapong, United Kingdom

**M-13 Experiences of a Novel Integrated Care Service for Older Adults at Risk of Severe Frailty: An Analysis of Survey and Interview Data** Mabel Okoeki, United Kingdom

|               |  |
|---------------|--|
| 13:00 – 13:50 | <b>Lunch and networking</b><br>Lunchtime session – EAPC Project New Standards and Norms in Palliative care |
| 14.00 – 14:50 | <b>Lunch</b><br>Lunchtime session – Lunch symposium <i>Kyowa Kirin for medical prescribers only</i>        |

|   |  |
|---|--|
| 15:00 – 15:50   | <b>Plenary session 4</b>   |
| <b>Chairs:</b>  | Jeroen Hasselaar, The Netherlands<br>Sonja McIlpatrick, Northern Ireland |
| <p><b>Technology, Innovation and Artificial Intelligence – a vision for Palliative Care</b> Björn Eskofier, Germany</p> <p><b>Prize: “Palliative Medicine” - Paper of the Year</b></p> <p><b>Best Abstract: L-03 Demonstrating the impact of palliative care: a secondary analysis of routinely-collected person-centred outcomes data among hospice community patients</b><br/>Fliss Murtagh, UK</p> |  |

|  |  |
|--|--|
| 16:00 – 16:50  | <b>FC 10 (E) Education and Workforce</b>   |
| <b>Chairs:</b>   | Natasha Pedersen, Norway<br>Irena Laska, Albania   |
| <p><b>C-08 Adaptation and continuous learning to start and persevere in Palliative Care. Revisiting professional coping strategies through an integrative review</b> Maria Arantzamendi, Spain</p> <p><b>E-03 Objective structured clinical examination (OSCE) in assessment of Palliative Care competence of advanced nurse practitioner students</b> Virpi Sulosaari, Finland</p> <p><b>E-04 Building Capacity for Early Palliative Care within Primary Care Teams: Implication and Evaluation of the CAPACITI Program</b> Hsien Seow, Canada</p> <p><b>G-05 Navigating tensions between ideal and realistic palliative care in socially deprived areas: a multiple case study analysis of healthcare professionals' experiences</b> Maddy French, United Kingdom</p> <p><b>R-01 Reflections and experiences of physicians working during the COVID-19 pandemic: a qualitative study.</b> Lindsay Hurlburt, Canada</p> |  |
| 16:00 – 16:50  | <b>PS 12 (B) Treatment decision-making: Communicating, informing and supporting patient choice</b> |
| <b>Chairs:</b>   | Lucy Selman, UK<br>Liesbeth van Vliet, The Netherlands   |
| <p><b>Clinician-patient communication and treatment decision-making support in advanced kidney disease -Protocol for the OSCAR Study</b> Lucy Selman, United Kingdom</p> <p><b>Information-provision in advanced cancer care</b> Liesbeth van Vliet, The Netherlands</p> <p><b>Supporting treatment decision-making in practice</b> Martin Loucka, Czech Republic</p>  |  |

|  |   |
|--|---|
| 16:00 – 16:50  | <b>PS 13 (C) Children and Young People: The Hidden Carers</b> |
| <b>Chairs:</b>   | Steve Marshall, UK<br>Melinda Kavanaugh, USA                  |
| <p><b>Children and young people caring for dying parents in the UK</b> Steve Marshall, United Kingdom</p> <p><b>U.S. Caregiving interventions for children and youth caregivers</b> Melinda Kavanaugh, United States</p> <p><b>Protecting mental health by identifying children and their needs when an adult is ill</b> Jeffrey Hanna, United Kingdom</p> |   |

|               |                                     |
|---------------|-------------------------------------|
| 17:00 – 17:50 | <b>Comfort break and networking</b> |
|---------------|-------------------------------------|

|   |   |
|---|---|
| 18:00 – 18:50   | <b>PS 14 (E) Rebalancing death and dying: the Lancet Commission on the Value of Death</b> |
| <b>Chairs:</b>  | Libby Sallnow, UK<br>Seamus O'Mahony, UK  |
| <p><b>Death, medicine, immortality, and climate change</b><br/>Richard Smith, United Kingdom</p> <p><b>The complex death system: mapping people, pathways, and structural determinants of end of life care</b><br/>Afsan Bhadelia, United States</p> <p><b>The Lancet Commission on the Value of Death: recommendations and next steps</b><br/>Libby Sallnow, United Kingdom</p>          |   |
| 18:00 – 18:50   | <b>PS 15 (Q) Researcher Award Session</b>   |
| <b>Chairs:</b>  | Fliss Murtagh, UK<br>Catherine Walshe, UK   |
| <p><b>Clinical Impact</b> Harvey Chochinov, Canada</p> <p><b>Post Doc: English Palliative and End of Life Care: Several Observations from an Anthropologist</b> Erica Borgstrom, United Kingdom</p> <p><b>Early Researcher: Improving patient and family care using patient centred outcome measures - from development to implementation into practice</b> Barbara Antunes, Portugal</p> |   |

|                |  |
|----------------|--|
| 19:00 – 20:50  | <b>Science Slam</b>                                |
| <b>Chairs:</b> | Berend Feddersen, Germany<br>Elodie Cretin, France |

## Friday 8<sup>th</sup> October

|             |  |
|-------------|--|
| 8:00 – 8:50 | <b>Breakfast networking with EAPC Groups</b><br><b>Paediatric Palliative Care meet the experts table</b> |
|-------------|--|

|                |  |
|----------------|--|
| 9:00 – 9:50    | <b>Plenary session 5</b>                         |
| <b>Chairs:</b> | Karl Bitschnau, Austria<br>Danila Valenti, Italy |

**Using the lived experience for re-designing care pathways** Ingeborg Griffioen, The Netherlands

**Photo Competition Winner**

**Best Abstract: D-06 Is Palliative Care Provision Associated with Prevalence of Death in Hospital at the Population Level? Evidence from 30 European Countries in the Years 2005-2017** Jingjing Jian, China

|                |  |
|----------------|--|
| 10:00 – 10:50  | <b>FC 11 (J) Dementia and Care homes</b>                 |
| <b>Chairs:</b> | Piret Paal, Austria<br>Jeroen Hasselaar, The Netherlands |

**J-03 Factors Associated with Emergency Department Attendance by People with Dementia Approaching the End-of-Life: A Systematic Review** Lesley Williamson, United Kingdom

**D-09 Development of an advance care planning by proxy intervention for residential aged care residents without decision making capacity** Laura Jones, Switzerland

**D-14 What influences Quality of Death and Dying in Dutch nursing homes?** Judith Meijers, The Netherlands

**J-09 Patterns of unplanned hospital admissions among people with dementia: From diagnosis to the end of life** Emel Yorganci, United Kingdom

**L-10 Developing a Benchmarking Tool for Evaluating the Quality of End-of-life care in Care Homes** Helen Chan, Hong Kong, China

|  |  |
|--|--|
| 10:00 – 10:50  | <b>PS 16 (B) Opioids for chronic breathlessness - practical evidence-based prescribing</b> |
| <b>Chairs:</b>   | Daisy Janssen, The Netherlands<br>Miriam Johnson, UK                                       |
| <p><b>Does morphine help? Evidence for effectiveness, dose and preparations</b> David Currow, Australia</p> <p><b>What about other opioids: what do we know, what don't we know?</b> Miriam Johnson, United Kingdom</p> <p><b>Are opioids safe in chronic breathlessness?</b> Daisy Janssen, The Netherlands</p> |  |
| 10:00 – 10:50  | <b>Paediatric Palliative Care Day Plenary (PPC)</b>  |
| <b>Chair:</b>  | Finella Craig, UK  |
| <p><b>Interventions at the end of life in children: where evidence meets experience</b></p> <p>Richard Hain, United Kingdom</p>  |  |

|  |   |
|--|---|
| 11:00 – 11:50  | <b>PS 17 (D) Exploring new dimensions in dementia palliative care: making research work in practice</b> |
| <b>Chairs:</b>   | Liz Sampson, UK<br>Meera Agar, Australia  |
| <p><b>Providing a firm base: A system-based logic model of integrated palliative dementia (the EMBED-Care programme)</b> Catherine Evans, United Kingdom</p> <p><b>Learning from trials: LIVE@Home.path, an RCT of care coordination for people with dementia</b> Bettina Husebo, Norway</p> <p><b>The reality: Understanding why in practice, interventions don't work as expected</b> Jenny T van der Steen, The Netherlands</p>                                 |   |
| 11:00 – 11:50  | <b>FC 12 (M) PC identification and impact</b>   |
| <b>Chairs:</b>   | Simone Veronese, Italy<br>Sandra Martins Pereira, Portugal  |
| <p><b>J-01 Population-based Projections of Place of Death for Northern Ireland by 2040</b><br/>Tracey McConnell, United Kingdom</p> <p><b>K-01 Palliative care, COVID-19 and Universal Health Coverage: Results of a Global Survey</b><br/>Stephen Connor, United Kingdom</p> <p><b>M-03 Implementation of the Supportive and Palliative Care Indicators Tool (SPICTM) in General Practice in Germany – An Interventional Study</b><br/>Kambiz Afshar, Germany</p> |   |

**M-05 Concurrent validity and prognostic utility of the Needs Assessment Tool: Progressive Disease - Heart Failure**  
Christina Ramsenthaler, Germany

11:00 – 11:50 **Paediatric Palliative Care Day FC 13 (I) Advancing ACP**

**Chairs:**  
Lorna Fraser, UK  
Richard Hain, UK

**I-01 Evaluating attitude, self-efficacy, behaviour, and intention to engage in advance care planning communication in paediatric oncology: development and face validation of a new measurement instrument** Anne Van Driessche, Belgium

**I-02 Parental decision-making behaviours in paediatric ACP: A qualitative study** Kathrin Knochel, Switzerland

**I-03 Patterns in discussing End-of-Life in paediatric Advance Care Planning conversations** Jurriane Fahner, The Netherlands

**I-04 Impact of Advance Care Planning in Paediatric Oncology** Miguel Vieira Martins, Portugal

**I-10 Conceptualising paediatric advance care planning; is it more than just 'do not attempt resuscitation'?** Sidharth Vemuri, Australia

12:00 – 12:50 **FC 14 (C) Families and Carers**

**Chairs:**  
Kaisa Rajala, Finland  
Martin Loucka, Czech Republic

**C-02 Dying at 'Home': Bereaved Family Caregivers' Experiences of Just-in-Case Medications at End of Life** Christina Faull, United Kingdom

**C-04 Family Carers' Support from Healthcare Professionals in Conducting ACP Conversations with their Seriously Ill Relatives: A Cross-sectional Survey of Bereaved Family Carers** Isabel Vandenbogaerde, Belgium

**C-06 A Systematic Review with Narrative Synthesis on Mutual Support between Patients and Family Caregivers in Palliative Care** Rachel McCauley, Ireland

**C-07 Caregiving experiences of informal carers of people living with MND; a qualitative evidence synthesis** Kate Flemming, United Kingdom

**L-05 How to provide grief support to caregivers systematically? The evaluation of a grief support toolkit for generalist healthcare professionals.** Marcella Tam, The Netherlands

12:00 – 12:50 **PS 18 (F) Ethical decision making at the end-of-life**

**Chairs:**  
Carlo Peruselli, Italy  
Kevin Brazil, UK

|   |  |
|---|--|
| <b>Nudging and Palliative paternalism</b> Carlo Peruselli, Italy                      |  |
| <b>Autonomy: a perspective from the ethics of care</b> Ludovica De Panfilis, Italy    |  |
| <b>Personal autonomy and end-of-life decision making</b> Kevin Brazil, United Kingdom |  |
| 12:00 – 12:50   | <b>Paediatric Palliative Care Day PS 1 Transitioning children with palliative care needs between settings and phases</b> |
